ABOUT PARIS

Paris lures travelers for the same reasons as always. You'll still find such classic sights as the Eiffel Tower, The Louvre, the Arc de Triomphe, Sacré-Coeur, and all those atmospheric cafes. Don't forget the parks, gardens, and squares; the Champs-Élysées and other grand boulevards; and the river Seine and its quays. Paris's beauty is still overwhelming, especially at night, when it truly is the City of Light. Paris is a city where taking in the street life -- shopping, strolling, and hanging out -- should claim as much of your time as sightseeing in churches or museums.
